LOGOSYNTHESIS INTERNATIONAL ASSOCIATION ANNOUNCES NEW STRUCTURE

Thursday, March 16, 2023

Logosynthesis International Association (LIA) is a Swiss-based, independent, non-profit association. LIA was formed in 2014 to support the quality and further development of Logosynthesis as a model for therapy, coaching and personal development. There are currently over 300 members, including over 200 certified Practitioners and 24 Trainers.

To better reflect the international scope of the membership, the Board of Directors is restructuring to form a new strategic English-speaking strategic Board of Trustees:

- President: Dr. Heike Rudolf von Rohr
- Chair, Professional Standards and Ethics: Allen O'Donoghue
- Chair, Development and Research: Dr. med Suzanne von Blumenthal
- Chair, Finances: Karen Bärlocher
- Chair, Regional Organizations: Alan Rojas Yacolca
- Chair, Communications: Cathy Caswell
- Executive Director: Ernst Aebi

A sincere thank you to the current German-speaking, volunteer Board of Directors and our office manager. This Board of Directors will continue to run the operations of LIA and consists of:

- Executive Director: Ernst Aebi
- Office Manager: Rita Meier
- Certification: Sonja Zanini
- Events: Monika Koller Schinca

Dr. Willem Lammers, the founder of Logosynthesis, is stepping back from his role in LIA to focus on writing and further developments. Christin Aannerud will leave her position but remain a valuable resource. We are grateful for their significant contributions to LIA.

This new structure will support the growth of LIA, including: an enhanced focus on professional standards; research and development of the model; strengthen and expand the presence of the Logosynthesis model across communities and better support international membership with information and networking opportunities.
